

## Right under your moustache

The objective of the game is to steal the exam from Professor Augusto. To accomplish this, you must first find the key to enter his office and then discover the password to unlock the file containing the exam. Once you have the correct password, you will need to download the exam file.

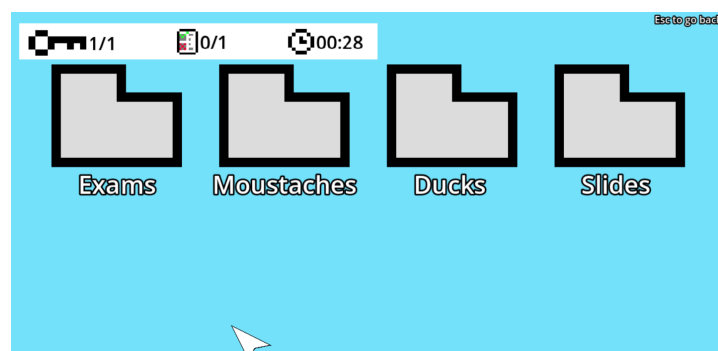

The main character can move to the right using either the right arrow key or the “D” key, and to the left using the left arrow key or the “A” key.

Additional controls are introduced as you encounter interactive elements, with instructions provided at the appropriate moments.

In the computer scene, you can only interact using the mouse, and you can press the “Esc” key to exit directories.

In both the main menu and the final menu, you can navigate using either the mouse or the up and down arrow keys.
